

Sambhram Academy of Management Studies
Send Off to a Sincere Member of the Team
January 03, 2019

Department of Library and Information and Centre [DLIC], SAMS was nurtured by Ms Ambika M since its birth in January, 2017. Being with SAMS team as the Chief Librarian of School of Management for six years and then heading DLIC for two years was a long and eventful journey for Ms Ambika. Reticent, Tolerant, Very Courteous, Simple, Honest, Soft Spoken and a Silent Doer Ms Ambika had to leave SAMS for health reasons though her heart is still with us.

We would like to remember the contributions of such kind of staff who may be called as an Institution Builder as Ms Ambika was one among them. The Get-together-cum-Send Off for her was a memorable event for all of us; it happened to be a lesson for all of us as how should a staff be to discharge his/her responsibilities in any kind of assignment. She has been recognised for her dedicated services to the Institution in the last eight years.

We pray best of health and spirit for her in life.
