

Sashi Kumar Singh

Eighth Rank Holder @ BBM Program, 2017 of Bangalore University

After completing 12th standard it was tough for him to choose the career destination to plan his future especially for an individual from economically poor background. He convinced his parents to finance his Degree Education in Bangalore, India and Google search helped him to choose Sambhram Academy of Management Studies to pursue his BBA. The intention behind was to get a genuine platform with congenial study environment to accomplish higher education at an affordable cost.

Mr. Singh is from Terai belt of Nepal, Kawahi Zabdi near Birgunj; his father is a Primary School Teacher. He trusted his dear son to invest for his higher education in India. Sashi Kumar never believed he could a rank holder of Bangalore University BBM Program in 2017 bringing laurels to Sambhram; with academic guidance and support of his Professors, blessings from his parents and by dint of hard labor everything could be possible and he belonged to select band of students who achieved glory for himself, for his parents and for the Institution having obtained Eighth Rank.

Sashi Kumar says “I was afraid whether I would adjust in the Bangalore environment” but everything had gone in his favor. Three- year period at Sambhram was definitely a unique phase in his life worthy in terms of gaining knowledge, skills and developing attitude that builds a personality. His passion to begin career at Startup companies led him to reject the offer at Capgemini; he chose to take challenges in a new venture and learn more. Currently he is with Krazybee Services Private

Limited since June 01, 2017 holding the position of Finance Executive. He prefers little work experience and come back to his Master's Program to complete academics time bound.
